

LIBERTY SUPPLY GROUP L.L.C.

Government Procurement | Industrial Supply | Property Operations

COMPANY OVERVIEW

Liberty Supply Group L.L.C. is a Miami-based, veteran-owned procurement and operations firm specializing in government contracting, industrial supply, and property management solutions. We support federal, state, and local agencies by sourcing and delivering compliant, cost-effective equipment and materials. Our approach is execution-focused—prioritizing speed, supplier access, and reliability across every contract.

CORE CAPABILITIES

Government Contracting

- DLA (DIBBS) bid sourcing and fulfillment
- Federal, state, and local procurement support
- Quote acquisition and supplier coordination
- Contract compliance and logistics execution

Industrial & Commercial Supply

- Waste & recycling equipment (compactors, balers, containers, hoppers)
- Shipping containers (20' / 40' high cube)
- Industrial materials and bulk procurement
- Equipment sourcing and delivery coordination

Property Management (South Florida)

- Residential and short-term rental management
 - Vendor coordination and maintenance oversight
 - Waste cost optimization and equipment integration
 - Operational management and tenant support
-

DIFFERENTIATORS

- Veteran-led, mission-oriented execution
 - Fast sourcing with expanding supplier network
 - Dual capability: procurement + property operations
 - Ability to bridge commercial suppliers with government demand
 - Agile, solutions-driven—not just transactional supply
-

PAST PERFORMANCE / EXPERIENCE

- Active SAM-registered contractor eligible for federal awards
 - Engaged in local and county procurement opportunities
 - Developing federal pipeline through DLA and SAM.gov
 - Ownership and management of 30+ residential units (NH portfolio)
 - Experience coordinating logistics, vendors, and multi-unit operations
-
